

DUCHESNE COUNTY – DECISION-MAKING FRAMEWORK (DMF)

RELEASE TYPES:

1. **Release on Own Recognizance (ROR)** – No Conditions. No use of PRL agreement necessary.
2. **Release with Conditions:** PRL1, PRL2, PRL3, PRL4, PRL5. Inmate must enter into applicable written agreement or remain in jail.
3. **Monetary Release set by court with possibility of special conditions attached.** If the court specifies PRL level conditions then defendant must enter into the applicable PRL agreement in order to be released. If conditions are specified by the court but one of the PRL levels is not referenced then no PRL agreement will be used (the courts order takes its place and inmates willingness to agree is irrelevant).
