Attention: Rick Schwermer

Dear Mr. Schwermer,

Please find copies of the most current lists of certified providers that offer PRIME For Life DUI classes in Utah included with this letter. At the bottom of the lists you will see agencies and individuals who teach PRIME For Life as a substance abuse prevention tool- they are NOT certified to teach DUI Education classes.

The following agencies have been added to the list of DUI Education Providers effective immediately: Affinity Guidance- Provo, Breakaway Recovery- SLC, High Desert Counseling- St. George, Odyssey House- Provo. The following agencies have been removed from the DUI Education Provider list effective immediately: Affinity Guidance- Sandy, Ogden Regional Medical Center, and Renaissance Ranch. The University of Utah and Utah State University offer classes for students only. I have included a Fact Sheet with these lists to help inform people who need to complete DUI Education, please feel free to distribute it in court or via website. The Fact Sheet is also available on our website with the Provider lists at the address below.

The lists will be maintained by the Division of Substance Abuse and Mental Health in PDF format at the following web address: www.dsamh.utah.gov/duiproviders.htm. As you know, PRIME For Life is the only approved DUI Education course for those convicted in Utah. If you have questions or concerns, please feel free to contact me. Thank you.

Sincerely,

Holly Watson

DUI Education Information for Participants, Instructors and Providers

The following is a short list of details about DUI Education in Utah. For more information, please see Administrative Rule R523-11
<http://www.rules.utah.gov/publicat/code/r523/r523-011.htm>.

- Participants should have received a substance abuse screening that indicates the need for substance abuse education.
- Participants may choose their DUI Education Provider, the list of approved Providers may be found here: <http://dsamh.utah.gov/dui-education-classes/>.
- PRIME For Life is the only DUI Education program approved for use in Utah.
- DUI Education consists of the 16 hour PRIME For Life curriculum and cannot be taught for more than 8 hours on any calendar day. The course will last at least 2 days, and is taught face to face. Distance learning and online programs do not meet DUI Education requirements.
- DUI Education classes are split by age: those younger than 18 years old, and those 18 years and older based on the participant's age on the date the course is completed.
- All participants receive a new PRIME For Life Participant Workbook from the Instructor.
- All Instructors must work for a DUI Education Provider; this is the link to current Provider lists: <http://dsamh.utah.gov/dui-education-classes/>.
- Instructors must complete an Application for Training for the initial training and to re-certify. Instructors must re-certify at least every 2 years.
- Providers must have a current Department of Human Services License for substance abuse treatment and be approved by the Division of Substance Abuse and Mental Health to offer DUI Education.
- For all DUI Education requirements please see Administrative Rule R523-11: <http://www.rules.utah.gov/publicat/code/r523/r523-011.htm>.
