

Juvenile Court Schedule for Court-Ordered Fines and Community Service Hours

Recent changes in statute (UCA 78A-6-117) require that court-ordered fines be assessed by episode rather than by individual offense, and are limited as outlined below.

<u>Minor's Age</u>	<u>Fine per episode</u>	<u>Hours per episode</u>
<u>16 and older</u>	up to \$270	up to 36
<u>Under 16</u>	up to \$180	up to 24

NOTES:

*Victim Restitution and DNA fees may be ordered in addition to the amounts listed above.

*When ordered, Victim Restitution takes precedence over fines and fees.

*When the court converts fines, fees or restitution to community service hours, the conversion rate must be no less than minimum wage.
