

1       **Article 10. IOLTA.**

2       Rule 14-1001. IOLTA.

3       (a) A lawyer or law firm shall create and maintain an interest or dividend-bearing  
4 trust account for client funds ("IOLTA account"). All client funds shall be placed into this  
5 account except those funds which can earn net income for the client- in excess of the  
6 costs to secure such income, ~~(income in excess of costs associated with the account)~~  
7 ~~for the client or~~ except as provided in paragraph (ig). ~~All interest and dividends from the~~  
8 ~~IOLTA account shall be remitted to the Utah Bar Foundation ("Foundation") as provided~~  
9 ~~herein.~~

10       (b) In determining whether a client's funds can earn net income in excess of the  
11 costs of securing that income for the benefit of the client, the lawyer or law firm shall  
12 consider the following factors:

13       (b)(1) the amount of the funds to be deposited;

14       (b)(2) the expected duration of the deposit, including the likelihood of delay in the  
15 matter for which funds are held;

16       (b)(3) the rates of interest or yield at financial institutions where the funds are to be  
17 deposited;

18       **(b)(4) the costs of establishing and administering non-IOLTA accounts for the client's**  
19 **benefit, including service charges, and the costs of preparing any tax reports required**  
20 **for income accruing to the client's benefit; and**

21       (b)(5) the capability of financial institutions, lawyers or law firms to calculate and pay  
22 income to individual clients and any other circumstances that may affect the ability of  
23 the client's funds to earn net income.

24       (c) The lawyer or law firm shall review its IOLTA account at reasonable intervals, but  
25 not less than annually, to determine whether changed circumstances require further  
26 action with respect to the funds of a particular client.

27       (d) The lawyer or law firm shall:

28       (d)(1) not allow earnings from an IOLTA account to be made available to a lawyer or  
29 law firm;

**Approved Effective April 1, 2008**

30 (d)(2) place in the IOLTA account all ~~clients'~~ client funds which cannot earn net  
31 income for the client in excess of the costs of securing that income;

32 (d)(3) establish an IOLTA account with ~~any~~ an eligible financial institution that has  
33 voluntarily chosen to offer and maintain IOLTA accounts, and;

34 (d)(3)(A) is authorized by federal or state law to do business in Utah<sub>;</sub>

35 (d)(3)(B) is insured by the Federal Deposit Insurance Corporation or its equivalent<sub>;</sub>  
36 ~~and~~

37 (d)(3)(C) ~~that~~ complies with Rule 1.15 (a) of the Utah Rules of Professional Conduct;  
38 and

39 (d)(4) direct the depository institution where the IOLTA account is established:

40 (d)(4)(A) to remit all interest or dividends, net of allowable reasonable service  
41 charges or fees, if any, on the average monthly balance in the account, or as otherwise  
42 computed in accordance with the institution's standard ~~accounting~~ practice, at least  
43 quarterly, solely to the Utah Bar Foundation ("Foundation"). When feasible, the  
44 depository institution shall remit the interest or dividends on all of its IOLTA accounts in  
45 a lump sum, however, the depository institution must provide, for each individual IOLTA  
46 account, the information to the Foundation required by subparagraphs (d)(4)(B) and  
47 (d)(4)(C) of this rule;

48 (d)(4)(B) ~~(d)(4)(B) to transmit with each remittance to the Foundation a statement~~  
49 report in a form and through any manner of transmission approved by the Foundation  
50 showing the name of the lawyer or law firm and the amount of the remittance  
51 attributable to each, for whom the remittance is sent, account number for each account,  
52 the rate and type of interest or dividend applied, the amount and type of allowable  
53 reasonable service charges or charges-fees deducted, the average account balance for  
54 the reporting period and such other information as is reasonably required by the  
55 Foundation;

56 ~~(d)(4)(C) to transmit to the depositing lawyer or law firm a periodic account~~  
57 ~~statement for their IOLTA account reflecting the amount of interest paid to the~~  
58 ~~Foundation, the rate of interest applied, the average account balance for the period for~~  
59 ~~which the interest was earned, and such other information as is reasonably required by~~

**Approved Effective April 1, 2008**

60 ~~the Foundation~~ (d)(4)(C) a report in accordance with normal procedures for reporting to  
61 depositors;

62 (d)(4)(D) that allowable reasonable service charges or ~~fees or charges~~ in excess of  
63 the interest earned on the account for any period shall ~~be waived and shall~~ not be taken  
64 from interest earned on other IOLTA accounts or any principal balance of the accounts;  
65 and

66 (d)(4)(E) comply with all other administrative rules for IOLTA accounts as  
67 promulgated by the Foundation or the Supreme Court.

68 (e) The determination of whether or not an institution is an eligible institution and  
69 whether it is meeting the requirements of this rule shall be made by the Utah Bar  
70 Foundation. The Foundation shall maintain a list of participating eligible financial  
71 institutions, and shall provide a copy of the list to any Utah lawyer upon request.

72 ~~(fe)~~ Lawyers may only maintain IOLTA accounts in eligible financial institutions.  
73 Eligible financial institutions are those that voluntarily offer IOLTA accounts and comply  
74 with the requirements of this rule, including ~~Participating financial institutions shall~~  
75 ~~maintain~~ing IOLTA accounts which pay the highest interest rate or dividend generally  
76 available from the institution to its non-IOLTA account customers when IOLTA accounts  
77 meet or exceed the same minimum balance or other account eligibility qualifications, if  
78 any. In determining the highest interest rate or dividend generally available from the  
79 institution to its non-IOLTA accounts, eligible institutions may consider factors, in  
80 addition to the IOLTA account balance, customarily considered by the institution when  
81 setting interest rates or dividends for its customers, provided that such factors do not  
82 discriminate between IOLTA accounts and accounts of non-IOLTA customers, and that  
83 these factors do not include that the account is an IOLTA account.

84 (f)(1) An eligible financial institution may satisfy these comparability requirements by  
85 electing one of the following options;

86 (f)(1)(A) establish the IOLTA account as the comparable rate product; or

87 (f)(1)(B) pay the comparable rate on the IOLTA checking account in lieu of actually  
88 establishing the comparable highest interest rate or dividend product;

**Approved Effective April 1, 2008**

89 (f)(1)(C) pay an amount on funds that would otherwise qualify for the investment  
90 options noted at (f)(3) equal to 70% of the federal funds targeted rate as of the first  
91 business day of the month or other IOLTA remitting period, which is deemed to be  
92 already net of allowable reasonable service charges or fees. The safe harbor yield rate  
93 may be adjusted once per year by the Foundation, upon 90 days' written notice to  
94 financial institutions participating in the IOLTA program; or

95 (f)(1)(D) pay a yield rate specified by the Foundation, if the Foundation so chooses,  
96 which is agreed to by the financial institution. The rate would be deemed to be already  
97 net of allowable reasonable fees and would be in effect for and remain unchanged  
98 during a period of no more than twelve months from the inception of the agreement  
99 between financial institution and the Foundation.

100 (f)(2) IOLTA accounts may be established as:

101 (f)(2)(A) a business checking account with an automated investment feature, such  
102 as an overnight and investment in repurchase agreements or money market funds  
103 invested solely in or fully collateralized by US government securities, including U.S.  
104 Treasury obligations and obligations issued or guaranteed as to principal and interest by  
105 the United States or any agency or instrument thereof;

106 (f)(2)(B) a checking account paying preferred interest rates, such as money market  
107 or indexed rates;

108 (f)(2)(C) a government interest-bearing checking account such as accounts used for  
109 municipal deposits;

110 (f)(2)(D) an interest-bearing checking account such as a negotiable order of  
111 withdrawal (NOW) account, or business checking account with interest;

112 (f)(2)(E) any other suitable interest-bearing deposit account offered by the institution  
113 to its non-IOLTA customers.

114 (f)(3) A daily financial institution repurchase agreement shall be fully collateralized by  
115 the United States Government Securities and may be established only with an eligible  
116 institution that is "well capitalized" or "adequately capitalized" as those terms are  
117 defined by applicable federal statutes and regulations. An open-end money-market  
118 fund shall be invested solely in the United States Government Securities or repurchase

**Approved Effective April 1, 2008**

119 agreements fully collateralized by United States Government Securities, shall hold itself  
120 out as a "money-market fund" as that term is defined by federal statutes and regulations  
121 under the Investment Company Act of 1940 and, at the time of the investment, shall  
122 have total assets of at least two hundred fifty million dollars (\$250,000,000).

123 (f)(4) Nothing in this rule shall preclude a participating financial institution from  
124 paying a higher interest rate or dividend than described above or electing to waive any  
125 service charges or fees on IOLTA accounts.

126 (f)(5) Interest and dividends shall be calculated in accordance with the participating  
127 financial institution's standard practice for non-IOLTA customers.

128 (f)(6) "Allowable reasonable service charges or fees" for IOLTA accounts are defined  
129 as per check charges, per deposit charges, a fee in lieu of minimum balances, sweep  
130 fees, FDIC insurance fees, and a reasonable IOLTA account administrative fee.

131 (f)(7) Allowable reasonable service charges or fees may be deducted from interest  
132 or dividends on an IOLTA account only at the rates and in accordance with the  
133 customary practices of the eligible institution for non-IOLTA customers. No fees or  
134 service charges other than allowable reasonable fees may be assessed against the  
135 accrued interest or dividends on an IOLTA account. Any fees and service charges  
136 other than allowable reasonable fees shall be the sole responsibility of, and may be  
137 charged to, the lawyer or law firm maintaining the IOLTA account.

138 (fg) Any IOLTA account which has or may have the net effect of costing the IOLTA  
139 program more in fees than earned in interest over a period of any time, may at the  
140 discretion of the Foundation, be exempted from and removed from the IOLTA program.  
141 Exemption of an IOLTA account from the IOLTA program revokes the permission to use  
142 the Foundation's tax identification number for that account. Exemption of such account  
143 from the IOLTA program shall not relieve the lawyer and/or law firm from the obligation  
144 to maintain the property of client funds separately, as required above, in a non-interest  
145 bearing account and also will not relieve the lawyer of the annual IOLTA certification.

146 (gh) In the event a lawyer determines that funds placed in an IOLTA account should  
147 have been placed in an interest bearing account for the benefit of the client, the lawyer  
148 or law firm shall:

**Approved Effective April 1, 2008**

149 (gh)(1) make a request for a refund in writing, in a timely manner, to the Foundation  
150 on firm letterhead within a reasonable period of time after the interest was remitted to  
151 the Foundation; and

152 (gh)(2) provide verification from the financial institution of the interest amount. In no  
153 event will the Foundation refund more than the amount of net interest it received;  
154 remittance shall be made to the financial institution for transmittal to the lawyer or law  
155 firm, after appropriate accounting and reporting.

156 (hi) On or before September 1 of each year, any lawyer admitted to practice in Utah  
157 shall certify to the Foundation, in such form as the Foundation shall provide ("IOLTA  
158 Certification Form"), that the member is in compliance with, or is exempt from, the  
159 provisions of this rule. If the lawyer or law firm maintains an IOLTA account, the lawyer  
160 shall certify the manner in which the lawyer accounts for the interest on clients' trust  
161 accounts. The IOLTA Certification Form shall include the financial institution, account  
162 numbers, name of accounts and such other information as the Foundation shall require.  
163 If the lawyer is exempt from the IOLTA program, the lawyer must still submit an IOLTA  
164 Certification Form annual to certify to the Foundation that they are exempt from the  
165 provisions in this Rule. Each lawyer shall keep and maintain records supporting the  
166 information submitted in the IOLTA Certification Form. The lawyer shall maintain these  
167 records for a period of five years from the end of the period for which the IOLTA  
168 Certification Form is filed, and these records shall be submitted to the Foundation upon  
169 written request. Failure by the lawyer to produce such records within thirty days after  
170 written request by the Foundation constitutes a rebuttable presumption that the lawyer  
171 has not complied with these rules.

172 (i )(1) If the IOLTA Certification Form is timely filed, indicating compliance, there will  
173 be no acknowledgement. Should an IOLTA Certification Form filed by a lawyer fail to  
174 evidence compliance, the Foundation shall contact the lawyer and attempt to resolve  
175 the non-compliance administratively.

176 (i)(2) The Foundation shall furnish annually to the Utah Supreme Court a list of all  
177 licensed Utah lawyers who have not timely filed an IOLTA Certification Form and any  
178 lawyers with whom the Foundation has been unable to administratively resolve an

**Approved Effective April 1, 2008**

179 impediment to the proper filing of an IOLTA Certification Form or the proper compliance  
180 with Rule 14-1001. IOLTA.

181 (i)(3) Any lawyer who is not in compliance with IOLTA or who has failed to complete  
182 the IOLTA Certification Form by September 1, will be sent, by certified mail, return  
183 receipt requested, a non-compliance notice. Should the attorney fail or refuse to rectify  
184 the situation within thirty (30) days of such notice, the Foundation shall petition the Utah  
185 Supreme Court for the lawyer's suspension from the practice of law.

186 (i)(4) A lawyer suspended by the Utah Supreme Court under the provisions of this  
187 rule may be reinstated by the Court upon motion of the Foundation showing that the  
188 lawyer has cured the noncompliance issue for which the lawyer has been suspended. If  
189 a lawyer has been suspended by the Utah Supreme Court for non-compliance with  
190 these rules, the lawyer must then comply with all applicable rules to be eligible to return  
191 to active or inactive status.

192 (j) A lawyer may be exempt from having to maintain an IOLTA account for the  
193 following reasons:

194 (j)(1) the lawyer or law firm's client trust account has been exempted and removed  
195 from the IOLTA program by the Foundation pursuant to paragraph (fg) of this rule; or

196 (j)(2) the lawyer has certified in his or her most recent annual IOLTA Certification  
197 Form that the lawyer:

198 (j)(2)(A) is not engaged in the private practice of law or does not manage or handle  
199 client trust funds and does not have a client trust account (e.g. corporate counsel,  
200 judge, employed by local, state or federal government who does not handle client trust  
201 funds or in private practice but does not handle client monies and has no client trust  
202 account);

203 (j)(2)(B) does not have an office within Utah and has the client's permission to hold  
204 the funds out of state; or

205 (j)(2)(C) has been exempted by an order of general or special application of this  
206 Court which is cited in the certification;

207 (j)(3) the lawyer or law firm petitions for and receives a written exemption from the  
208 Foundation that compliance with this rule would create an undue hardship on the lawyer

**Approved Effective April 1, 2008**

209 and would be extremely impractical, based on geographic distance between the  
210 lawyer's principal office and the closest depository institution which is participating in the  
211 IOLTA program.

212 (k) Lawyers licensed in Utah must notify the Foundation in writing within thirty (30)  
213 days of any change in IOLTA status, including the opening or closing of any IOLTA  
214 accounts.

215 (j) The Foundation is the only entity authorized to receive and administer IOLTA  
216 funds in Utah.

217 (j)(1) The Foundation shall have general supervisory authority over the  
218 administration of the IOLTA funds, subject to the continuing jurisdiction of the Supreme  
219 Court.

220 (j)(2) The Foundation shall receive the net earnings from all IOLTA accounts and  
221 shall make appropriate investments of IOLTA funds. The Foundation shall maintain  
222 proper records of all IOLTA receipts and disbursements, which records shall be audited  
223 or reviewed annually by a certified public accountant. The Foundation shall annually  
224 present to the Supreme Court a reviewed or audited financial statement of the IOLTA  
225 receipts and expenditures for the prior year and a summary thereof shall be made  
226 available to anyone requesting copies.

227 (j)(3) The Foundation shall be responsible to present annually to the Supreme Court  
228 a status report on activities of the Foundation and compliance with these rules.

229 (j)(4) The Foundation shall be responsible to make disbursements from the IOLTA  
230 program funds, including current and accumulated net earnings, by grants,  
231 appropriations and other appropriate measures, as outlined in the articles and by-laws  
232 for the organization.

233 (j)(5) The Foundation shall promulgate such other rules, procedures, reports and  
234 forms that are necessary or advisable for the proper implementation of the foregoing  
235 rules.

236 (km) All lawyers who maintain accounts provided for in this rule must convert their  
237 client trust account(s) to interest-bearing account(s) with the interest paid to the  
238 Foundation no later than six months from the date of order adopting this rule, unless the

**Approved Effective April 1, 2008**

239 lawyer has been granted exemption from this Court as allowed in paragraphs (fg) or (h)  
240 of this rule. Every lawyer practicing or admitted to practice in Utah shall, as a condition  
241 thereof, be conclusively deemed to have consented to the reporting requirements  
242 mandated by this rule.  
243
