MEMBERS OF THE UTAH SUPREME COURT  
ADVISORY COMMITTEE ON CIVIL PROCEDURE

Re: March Meeting

Dear Committee Members:

The next meeting of the Advisory Committee will be held next Wednesday, March 24, 1993, beginning at 4:00 p.m. The meeting will be held at the usual location, in the Council Room of the Administrative Offices of the Courts, 230 South 500 East, Salt Lake City. I look forward to seeing you there. If you do not plan to attend or believe you will be late, I would appreciate your calling me or my secretary, Kay Rich, so we do not wait for you.

Please find enclosed minutes from our last meeting, which was held in January. I want to express our appreciation to Colin Winchester for stepping in to prepare these minutes. Colin, as usual, does a lot for our committee but seldom gets thanked. So thank you, Colin.

The matters we will take up at our next meeting will be the following:

1. We will have a report from our Rule 45 Subcommittee, chaired by Perrin Love. I have enclosed for your information the latest draft of their efforts to revise that rule, in accordance with our discussion at the last meeting.

2. We will have a report from our newly-formed committee on writs of restitution. I have asked Terri MacIntosh to chair this subcommittee, and she has graciously agreed. Bruce Plenk, another member of the subcommittee, tells me that he has completed, or nearly completed, research on other states'

restitution practice. If the research is available, he will report to the committee.

3. We will have a report from our discovery subcommittee. I have enclosed for your information a "final" draft of the United States Supreme Court Advisory Committee's proposal for changes to Rule 26. Fran Wikstrom and his subcommittee want to start the revision of the discovery rules with Rule 26. Perhaps, the question for all of us to consider is whether our state should not adopt any particular change adopted by the federal committee and the Supreme Court.

I look forward to seeing all of you next Wednesday.

Very truly yours,

Alan L. Sullivan
