Standing Order

Due to the significant impact on judicial resources as a result of the ongoing COVID 19 Pandemic, effective February 1, 2021, court staff will no longer send/email/provide/deliver Webex hearing links to attorney's clients.

Beginning February 1, 2021 it will be the responsibility of counsel to provide Webex information to their client(s) prior to the hearing. In addition, counsel should ensure that their client(s) have the necessary equipment and ability to connect to the Webex hearing prior to the hearing start time.

Court staff will return to the pre-COVID practice of notifying the attorney of record, only via Webex invitation. Webex information will be accessible to all parties from the court's *Court Calendars (Find a Hearing Date)* web page one day prior to the hearing. To this end it is vital that attorneys properly manage their appearance on their cases, as well as their email and contact information with the Bar.

Dated this 22 day of January 2021.

Presiding Judge, Mark Kouris
