Meeting minutes from the September 2 meeting were approved and will be posted on the court's website.

3. Extension of Time

There has been a small extension of time granted to get the draft rules to the supreme court for its September conference agenda.

There will be some one-on-one outreach to committee members this week to talk about the rules and gather feedback that hasn't been raised at committee meetings. Maryt will reach out this week to set times with folks looking for times to discuss.

4. Update from S.B. 270 Steering Committee Work

- Rules were approved by the PP&T committee and will move to the Judicial Council meeting agenda for its meeting on September 21.

5. Procedural Rules

- Work is ongoing by the rules subcommittee. The drafts are updated regularly and are available on request.
- There have been some membership changes, and some new faces will be added for future meetings.
- Outreach with some other judges may occur before submitting the draft rules for pre-review to gather more feedback and input.

6. Action Items

- Subcommittee meetings for rule drafting will be Thursday, Sept 10 from 12 to 1 and Friday, September 11 from 11 to 1. One-on-one outreach with committee members will be set this week also.
