Stacy Haake

Current Scope

Community Justice Advocates	
<ul style="list-style-type: none">• Analyze current Sandbox entities training nonlawyers to offer free legal advice on specific topics to the communities they serve.• Examine community justice advocates models from other states and recommendations from access-to-justices experts.• Design a model that reflects best practices.	<ul style="list-style-type: none">• Identify the steps needed to implement the model, including whether additional collaboration with other entities or stakeholder is needed.• Draft proposed rule amendments, if any.

Resources

IAALS, Allied Legal Professionals Knowledge Center:
