CA & 20160236-CA
Trial Court Case No. 104901246

This matter is before the court upon a Petition for Writ of Certiorari, filed on June 13, 2018.

The Petition for Writ of Certiorari is granted as to the following issues:

1. Whether the court of appeals erred in concluding that Petitioner's first notice of appeal limited the issues it could address in his first appeal.
2. Whether the court of appeals erred in affirming the district court's denial of Petitioner's petition for a modification of the custody decree with respect to parent time.
3. Whether the court of appeals erred in affirming the district court's calculation of Petitioner's child support obligations that was not based on any imputation of income to Respondent.

A briefing schedule will be established hereafter. Pursuant to Rule 2 of the Rules of Appellate Procedure, the Court suspends the provision of Rule 26(a) that permits the

parties to stipulate to an extension of time to submit their briefs on the merits. The parties shall not be permitted to stipulate to an extension. The parties shall comply with the briefing schedule upon its issuance.
