Court of Appeals Case No. 20231018-CA

Trial Court Case No. 210100162

This matter is before the court upon a Petition for Writ of Certiorari, filed on March 5, 2026. A response to the petition was filed on May 7, 2026.

The Petition for Writ of Certiorari is granted as to the following issue:

Whether the Court of Appeals erred in reversing the district courts grant of summary judgment by concluding that it erred in excluding an expert witness as a sanction for a deficient designation of that expert.

The scope of review on the merits will not include any alternate grounds for reversal of the district court's grant of summary judgment that were presented by the Al-Imaris on appeal.

A briefing schedule will be established. Any stipulation or request for an extension of time to file a brief will be governed by rule 22 of the Utah Rules of Appellate Procedure.
