UNIFORM FINE/BAIL FORFEITURE SCHEDULE

PURPOSE

It is the intent of the Uniform Fine/Bail Schedule to provide assistance to the sentencing judge in determining the appropriate fine or bail to be assessed in a particular case and to minimize disparity of fines/bails imposed by different courts for similar offenses. This schedule is not intended to deprive nor minimize the authority of the court to impose a sentence deemed just in the discretion of the judge.

ASSUMPTIONS

The penalty for all public offenses should include a financial sanction as a minimum base from which the judge may determine the total sentence, dependent upon aggravating and/or mitigating circumstances of an individual case.

The cumulative effect of appropriate penalties such as probation, community service, surcharges, restitution, victim reparation, rehabilitation treatment programs, home confinement, court costs and periods of incarceration, should constitute the total sentence.

The enhancement or reduction to the fine should reflect the severity of the offense, the extent of victim injury or property damage loss, the risk which the offender poses to society, the offender's criminal and person history, and related factors. (See Aggravating and Mitigating Circumstances section.)

Per CJA Rule 4-701(1), a \$50 bail increase may be assessed when the delinquent notice is sent to the defendant for failure to appear within 14 days. For information on how to calculate the surcharge on delinquent enhancements, contact the Administrative Office of the Courts.

Per CJA Rule 4-701(2), the \$75 bail increase may be assessed when the defendant has failed to appear or pay bail within 40 days of the date of citation and a warrant is issued. For information on how to calculate the surcharge on delinquent enhancements, contact the Administrative Office of the Courts.

Overweight Violations

The assessing court shall retain the first \$50 of the fine for offenses under 72-7-404 and 72-7-406. The remainder of the fine shall be paid in accordance with U.C.A. 78A-7-120 (see Gross Weight Chart for fines).

Traffic

A \$30 accident fee may be added to traffic violations resulting in an accident.

In either adult or juvenile court, if an accident has occurred, it may be considered by the court as an aggravating circumstance, and the bail for the cited offense (which caused the accident) may be increased by the indicated amount.

All traffic offenses involving personal injury or death require a MANDATORY APPEARANCE.

A compliance fee of \$8 may be applied to any motor vehicle violation for the operator of a motorcycle or motor-driven cycle, class 3 electric assisted bicycle or auticycle not fully enclosed if the operator was 21 years old at the time of violation AND the operator was wearing protective head gear (UCA 41-6a-1505), except for DUI offenses.

Sentencing

The felony matrix and misdemeanor matrix are guidelines for setting FINE after adjudication of a case requiring a mandatory appearance. The matrices include a broad range of fines from the statutory maximum to a base minimum within each category of offense. They are to be used in conjunction with the criminal history assessment criteria. From the base financial sanction in each category, the schedules provide an escalation of the fine in correlation with the points accumulated in the criminal history criteria. The matrices also specify where incarceration is likely to be appropriate in addition to the fine. Pre-sentence investigation reports, prepared by Adult Probation and Parole Division, will include the criminal history data necessary to place the defendant's case on the matrix.

Application to Adults/Juveniles

Effective July 1, 1994 the Judicial Council approved a separate Bail Schedule for the Juvenile Court. This Bail Schedule then only applies to adults, although the two Bail Schedules are the same with respect to the minors charged with minor traffic violations. Copies of the separate Juvenile Court Fine and Bail Schedule can be found at http://www.utcourts.gov/courts/juv/fine_bail.htm.

Nonresident Violator Compact

At the present time the following states are not members of the Nonresident Violator Compact (NRVC) and will not act on a request to suspend the driver license of a person issued a traffic citation in the State of Utah who fails to appear or contact the court on the citation: Alaska, California, Michigan, Montana, Oregon, and Wisconsin.

The rest of the states, including the District of Columbia, are members of this compact and, with the exception of the following traffic offenses, will act on a request to suspend a driver license if this request reaches the home state within six months of the date of the violation:

1. Those offenses requiring a mandatory appearance under section 77-7-22, U.C.A., such as driving under the influence, failure to stop in event of an accident causing death, personal injuries, or damage to property, and those offenses that the directors of the compact have determined to require a mandatory appearance such as driving on suspension, driving on revocation, etc.
2. Parking or standing violations.
3. Highway weight limit violations.
4. Violations of the law governing the transportation of hazardous materials.

Since a request under the NRVC must reach the home state within six months it must be received by the Utah Driver License Division no later than 5 months after the issuance of the citation, but sooner would be preferable in case there are problems. There is no FTC in the NRVC, only FTAs. If partial payment is accepted by the court, that constitutes an appearance and the court cannot issue an FTC against an out-of-state driver like they can against a Utah driver.

CRIMINAL HISTORY ASSESSMENT

The attached criminal disposition matrix classifies a person's criminal history in 5 categories from excellent (0-3 points), good (4-7 points), moderate (8-11 points), fair (12-15 points), and poor (16-28 points). The appropriate classification is determined by scores obtained by summing points assessed in each of the six criteria as follows:

1. Prior Felony Conviction(s); up to 8 points if a person has more than 3 felony convictions.
2. Prior Misdemeanor Conviction(s); up to 4 points if a person has more than 7 misdemeanor convictions.
3. Prior Juvenile Referrals; up to 4 points if the person was committed to a secure facility or 3 points if the collection of felonies and misdemeanors exceeded 4 counting felonies as 1 and misdemeanors as 1/3.
4. Supervision History; up to 4 points depending on the prior level of supervision in either the juvenile or adult system and revocation history.
5. Supervision Risk; up to 4 points based on previous reporting, absconding or escape history.
6. Weapons Enhancement; up to 4 points based on the use of weapons.

Total possible points are 28, least possible 0. Aggravating and mitigating circumstances are also a part of the sentence and release guidelines.

³ Supervised probation is also required for all violations of §41-6a-517 (driving with any measurable controlled substance or metabolite in the body).

⁴ Adoption of the ignition interlock restricted driver (IRD) provision (§41-6a-518.2) does not change the obligation of judges to impose interlock as a condition of probation.

Note: If a person's violation of Section 41-6a-502 does not involve alcohol, the requirement to order ignition interlock does not apply.

⁵ ARD = Alcohol Restricted Driver.

Guide to the Uniform Fine Bail Schedule

The Uniform Fine Bail Schedule is published in both .pdf (Adobe Acrobat) and .xls (Excel) file formats. The .pdf format is organized for ease of printing and the .xls format has been provided for ease in sorting. You can access these files at:

http://www.utcourts.gov/resources/rules/ucja/append/c_fineba/

Violation Code Column (Violation Code)

The code for the violation based on Utah statute.

Description Column (Description)

Description of the applicable violation

Mandatory Court Appearance Required Column (Man Appr)

This column is marked Y (Yes) if a court appearance is required to resolve this offense or N (No) if no appearance is necessary and the offense can be resolved by paying the designated fine.

Default Severity Column (Deflt Sev)

The severity of the offense as determined by statute.

Suggested Bail Includes Security Surcharge Column (Suggest Bail Plus Sec Surcharge (\$50))

The total Suggested Bail and Security Surcharge. This includes the \$50 security surcharge for justice courts.

Compliance Credit Column (Comp Credit)

This is the amount of credit given for complying with violation requirements prior to resolving the offense. The "Comment" column describes the compliance required.

Non Moving Traffic Column (Non Mov)

This column is marked Y (Yes) if the offense is non-moving traffic violation and N (No) if the offense is not a non-moving traffic violation. No surcharge should be imposed in non-moving traffic offenses. The Utah Judicial Council through the designated Uniform Fine Bail Committee has the responsibility to define which offenses are moving and which are non-moving. They have established definitions as follows: Moving violations involve an act or omission dealing with the actual driving of the motor vehicle, e.g.: failure to yield, speeding. Non-moving violations encompass status or conditions of the vehicle or driver license violations, e.g.: not registered, not licensed, broken equipment.

Surcharge Column (Surch)

51-9-401, U.C.A. provides that "A surcharge shall be paid on all criminal fines, penalties and forfeitures imposed by the courts. The surcharge shall be 90% upon conviction of a felony; class A misdemeanor; violation of Title 41, Chapter 6a, Part 5, Driving Under the Influence and Reckless

Driving; or class B misdemeanor not classified within Title 41, Motor Vehicles, including violation of comparable county or municipal ordinances, or 35% upon conviction of any other offense, including violation of county or municipal ordinances not subject to the 90% surcharge. The surcharge may not be imposed: (a) upon non-moving traffic violations; (b) upon court orders when the offender is ordered to perform compensatory service work in lieu of paying a fine; and (c) upon penalties assessed by the juvenile court as part of the non-judicial adjustment of a case under Section 78A-6-602.

Report to Driver License Division Column (DLD Rpt)

This column will be marked Y (Yes) if the offense is reportable to the Utah Driver License Division and N (No) if not reportable. All states and the Canadian Provinces are members of the compact that shares information regarding convictions for traffic violations. If the convicted violator has a Utah, an out-of-state, or a Canadian driver license, a record of a conviction for an offense with a "Y" in this column will be sent to the Utah Driver License Division within 10 days of the conviction or bail forfeiture. [See Utah Code 77-7-25 and Utah Code 53-3-218]

A plea in abeyance in Utah will not assess points to a driving record. A plea in abeyance may be handled differently in the motorist's home state.

Pleas in Abeyance

For a Utah non-CDL (commercial driver license) driver:

A plea in abeyance does not assess points on the driver's motor vehicle record (MVR).

For a CDL (commercial driver license) driver:

A plea in abeyance will be reflect as a citation on the MVR for a CDL driver because federal law prohibits the Driver License Division (DLD) from masking or deferring judgment for a traffic citation for CDL drivers. If the violation requires a mandatory CDL license disqualification, DLD will also take action on an abeyance.

For a non-resident, non-CDL driver:

A plea in abeyance disposition may or may not result in assessed points on a license issued in a NRVC (Non-Resident Violator Compact) state. Drivers should contact their home state driver license division to determine if a plea in abeyance disposition in Utah will be recognized as a conviction or a diversion.

Report to Bureau of Criminal Identification Column (BCI Rpt)

This column will be marked Y (Yes) if the offense is reportable to the Utah Bureau of Criminal Identification (BCI) and N (No) if it is not reportable. Offenses are determined reportable by the Utah Bureau of Criminal Identification.

Transportation Code (Trns)

This column is used to designate transportation requirements for individuals arrested in a county other than the county from which the warrant was issued. (Utah Code of Judicial Administration Rule 4-613)

C - Requires transportation only within the county

S - Requires transportation within the state

Unless otherwise ordered by the Court, warrants for the following offenses will require transportation from the county in which the defendant is arrested:

- felonies
- class A misdemeanors
- class B misdemeanors charged under Utah Code Title 76 Chapter 5 (Offenses Against the Person), Title 76, Chapter 10, Part 5 (Weapons), and Title 41, Chapter 6a, Part 5 (Driving Under the Influence and Reckless Driving)

Unless otherwise ordered by the court, warrants for the following offenses will require transportation only within the county from which the warrant originates:

- class B misdemeanors not included in the felony, class A and B Misdemeanors noted above.
- class C misdemeanors
